## ENDORSEMENTS

What has been said about *Destiny's Hands*:

Over the years I have been intrigued with the life of Bezalel as I have read the story of the journey from Egypt to the Land of Promise. That God had in place men He had specifically gifted to create the items needed for the desert tabernacle not only produces an 'awe' moment, but also brings assurance that what is needed by the Church of today will also be supplied by the same fore-thinking God. What a great confidence!

Violet Nездoly has taken us on the journey with Bezalel, bringing us up to the time where his special gifting is about to be put to use for God's purpose. Perhaps it is time for us as readers to stop and ask the question, "Lord—what was I designed to do?" May we, in turn, be faithful.
